2009 is the 13th anniversary of Hong Kong's biggest participative sports events - Standard Chartered Hong Kong Marathon. The IET would like to recruit two 4-player teams and sponsors to join this meaningful event. Public interest in the race is exceptionally high this year. The races of 10km and half marathon are already full. Now they only accept full marathon applications.

Entrance fee of Corporate Challenge 2009 is HKD 5,400.00 per team. So your inputs, financial and manpower support are extremely important.

Since we target to apply for the event before the end of November, please kindly send us a registration email if you are interested to be runner and/or sponsor by 27 November 2008 (Thursday).
